YOUTH SERVICE SUMMIT

The mission of the YMCA Youth Service Summit is to help build, shape, and mentor the next generation of servant leaders in our community! For this day long summit, we will engage high school students (ages 14-18) in a morning of community service at Feeding America, followed by an afternoon of leadership education with talented speakers. The day will end with a Summit Social at the Y with various activities including rock climbing, swimming, gaming, and more! Do something meaningful on your day off of school and give back to your community!
